Creating and Agency/Agent Application

To fully complete your Agency you must apply for the Agency first and then the Agent application second.

1. Click "File an Application for License/Registration" on the Main Menu.

Please select one of the following options:

2. Click on either "Career Consulting/Outplacement; Job Listing Service; Prepaid Computer Job Matching Service" or "Employment & Personnel Services"

3. Click the dropdown and make sure you complete the Agency application first and then the Agent application second.
